

2023 Annual Report

God is So Good!

We had an amazing year of witnessing God's faithfulness, goodness, and increase!

Gather Growing and Going!

As Revive Church nudges closer to 50 years old (we turned 46 years old in 2023), we continue to witness God's faithfulness, goodness, and increase! Our Sunday gatherings saw an increase in attendance, decisions for Christ, baptisms, and a palpable sense of momentum and God's presence!

Let's rejoice over some highlights from 2023.

Gatherings

One of our values is to treasure the presence of God. Every time we gather, we expect to see God move in big ways in peoples' lives. This was evident in our times of worship and teaching. Revive Church is known for its passionate worship and praise, and we often see God doing amazing things in the lives of our members and guests as we worship and turn our focus heavenward! This was super evident in 2023. Our Sunday services and discipleship class with the Meeks included Basics of the Christian Faith, an entire series on "Making Disciples." We had several preaching series including Redemption, the Book of Exodus, Fortress of prayer, and the book of Mark. One of our Gathering highlights of the year was "Lake Day" at Seeley Lake when more than 10 people were baptized.

FORTRESS OF PRAYER 2 Samuel 22 - Prayer at 2:22

God is **Faithful**

Growing

Our Home Groups as well as Youth and Kids Ministries were blessed to see God create a Spirit-filled family of believers in Christ who are shaping each other and growing in God's likeness and attributes.

We had two great Encounter Weekend retreats that reflect our church's commitment to seeing our people growing deeper and stronger in their walk with Christ.

Going

One of our clearest strengths of Revive Church is our missional focus and heart. We place a great deal of outward focus on our city, state, nation, and world.

Our City Foods outreach faced a tremendous need this year, and God responded by providing beyond our expectations. A total of **209,178 pounds of food** fed 779 families and 2,719 individuals. With a spending budget of \$14,705, for every dollar given 14.22 pounds of food went out!

Regions Beyond Mexico and our work in Guadalajara continues to grow!

Christmas Season is yearly marked by leading the way in generosity! Our local kids' Christmas party served more than 140 young people directly connected to our food pantry. Carol and her team always amaze by leading the charge and using our church facility as the regional drop center where over 8,000 shoebox gifts are processed and delivered, in addition to 511 boxes that Revive families packed and donated.

One of the new and exciting outreaches in 2023, was our increased heart for Lame Deer and our work with Elisa Johnson who leads the Hope Church. Lame Deer is on the Northern Cheyenne Indian Reservation where we have a growing and active partnership!

.....

What a Year!

We are so thankful to our church family, team, and donors who have given in so many ways! In 2023, we said "Goodbye" to Pastor John and Miriam Meek who retired and are making their way to their new home and state in Missouri. This was a bittersweet transition, yet in the grand scheme, God is in control and has guided our church family faithfully for 47 years! 2024 here we come!
